

## CLINICAL SERVICES OUTLINE

1. Submit on-line application to CBA, LLC: [www.abatherapy.net](http://www.abatherapy.net)

Mailing address: 4285 Gatecrest, San Antonio, Texas 78217

2. Admissions committee will review application and determine applicability of CBA, LLC's ABA services for applicant(s)

Attend half day workshop regarding ABA services and basic principles with CBA, LLC staff at the clinical site -- 4285 Gatecrest, San Antonio, Texas 78217 (scheduled with parents and therapists)

3. Schedule initial meeting to review goals and begin initial observations and ABA assessment duties at the clinical site
4. Design initial individualized programming and conduct training with parents and therapists at the clinical site
5. Begin initial programming in relevant settings (e.g., home, school, day care, etc...)
6. Consultant will then conduct a home visit after initial programming has started
7. Schedule bi-weekly consultations and trainings with assigned consultant at the clinical site, where the full ABLLS assessment will begin (approximately 500 skills are assessed over a period of a few months)
8. Continue to monitor, train, adjust and update ABA programming at the clinical site (bi-weekly)

*Note: Usually a team leader (e.g., lead, in-home therapist) is selected to monitor progress from week to week in the home and/or school settings, while consultations are provided at the clinic on a bi-weekly basis.*
